The MSc Global Finance is a part-time online course, to be completed within 24 months. There are intakes each year in January, May and September.

Benefits:

- Earn a master's degree from a leading global business school
- No relocation costs or visa requirements
- No need for a career break: continue working while you study at home, at work or on the move anywhere in the world
- Develop career-enhancing knowledge and practical skills
- Study a master's designed by top faculty from the Business School who are leaders in their fields
- High levels of academic and practical support
- Learn with other professionals from all over the globe
- All students are full members of the Business School community. On completing the degree, you will be invited to our graduation event in London. You will also join our extensive alumni network spread across 160 countries offering lifelong benefits.

LEARNING AND ASSESSMENT

Our approach ensures that our learners never feel isolated. You're as much a part of the Business School as you would be if you were on campus and we support you every step of the way.

- Each module is broken down into convenient weekly topics
- Each topic features video lectures made exclusively for this course, online readings and materials, class discussions, activities where you test and apply your new knowledge and webinars where you can ask questions and get feedback on your work
- All modules are taught by the Business School faculty
- Interact and learn with other online students around the world
- Each module is assessed by coursework which you receive and submit online – no need to travel for exams
- Our bespoke online interface is intuitive and easy to use
- A dedicated Course Officer is on hand to help you with practical support
- Core readings and further resources are available through our online library portal
- Use our campus facilities when you are in London.

“With this course, you will gain a comprehensive grasp of the principles and theories of finance and their applications to real-life corporate situations.”
